

## Homework Challenges P1,2,3

2016-2017

Term Three

- Go for a walk in the countryside and see how many different types of leaves you can find. Extra challenge- Make a picture with the leaves.
- Create a picture of a farm with all the different animals. Can you label the mum, dad and young animals with the correct names? E.g. Bull, Heifer and Calf.
- Can you make an imaginative story? Think about the characters and the setting while also making the events really interesting.
- Using the internet find out about Scotland and make a poster showing everything that makes Scotland famous.
- What is your favourite rainforest animal? Can you draw a picture of it in the jungle? Extra challenge- Write some facts about the animal using bullet points.
- Help look after your garden through the winter e.g. sweeping leaves, shovelling snow, feeding the birds.
- Play a board game with your family, always remembering to make positive and supportive comments throughout the game.
- If the weather is really snowy why don't you go outside and make a snowman. You can take pictures and put them on the achievement wall. Extra challenge- Write a story about a snowman that is alive.
